Hi Karl,

It does need to be a signed original. Also, to answer your other question, it sounds as though you have made all the required reportings. Do you have a copy of what you sent the LEPC/SERC so we can include that as confirmation that those items are completed? Then we should be good to go!

Thank you,
CHM

Clarissa, I had David Belfonte sign the agreement. Is an electronic copy sufficient, or does it need to be a signed original?

Thanks

Mr. Farris,

Attached, please find the Consent Agreement and Final Order in the matter concerning Belfonte Ice Cream Company and letter forwarding the same. Please note that page 7 of the Consent Agreement and Final Order requires that Belfonte certify that it is presently in compliance with all requirements of the EPCRA and its implementing regulations. Therefore, before the Order can be filed with the clerk, we must have confirmation that Belfonte has provided notice to the SERC of the release and provided a written follow-up notice to the SERC and LEPC. Please feel free to contact myself or Ms. Blunk should you have any questions.

Best,
CHM
